TSC are applied in the interest of U.S. national security. The DoD Components shall apply TSC measures to prevent illegal acquisition or other unauthorized transfers of defense and dual-use technology, goods, services and munitions by or to individuals, entities and/or countries whose interests are adverse to the United States and to prevent those technologies, goods, services and munitions from being exported directly or indirectly into unauthorized areas designated by the Secretary of State, the Secretary of Commerce, or the Director of Foreign Assets Control. DoDI 2030.08 requires that Trade Security Controls be implemented whenever United States Munitions List (USML) or Commerce Control List (CCL) property is transferred.
