

# ATTACHMENT 1: LIMITED TECHNICAL INSPECTION

VESSEL CLASS Kuroda

HULL NUMBER LSV-7

---

Navigation & Communications

Operational

Non-Operational

- Radars
- Marine Radios – VHF

Propulsion/Power Generation Systems

Operational

Non-Operational

- Main Engines
- SSDGs
- EDGs
- Electrical Panel
- Reduction Gears

Hydraulic Systems

Operational

Non-Operational

- Steering (Hydraulics in Steering Compartment)
- Ramps
- Winches
- Anchors
- Capstans

Pneumatic Systems

Operational

Non-Operational

- Control Air
- Service Air Connections

Fuel & Lube Oil Systems

Operational

Non-Operational

- The Transfer Systems
- Gauge Panel

Potable Water Systems

Operational

Non-Operational

- Potable Water Pumps
- Potable Water Evaporators

Fire Main & Bilge Ballast Systems

Operational

Non-Operational

- Pumps in the engine room for both systems
- Monitors on Bridge

Fire Suppression System

Operational

Non-Operational

- Each of the FM200 Bottle Stations
