The Purchaser warrants that he or she has not employed or retained any person or agency that is not a "bona fide established commercial agency" (described below) to solicit or secure acceptance of a Bid upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. A "bona fide established commercial agency" has been construed to include a licensed real estate broker engaged in the business generally. In the event the Purchaser has employed or retained a bona fide established commercial agency in connection with this IFB, the Purchaser warrants that any fee or commission due to the same shall be borne solely by the Purchaser.

14. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

- A. The closing date of the sale (the "**Closing Date**") will be set by the Government and will be no later than ninety (90) calendar days after acceptance of the Accepted Bid. Notwithstanding the prior sentence, the Government reserves the right to extend the Closing Date for a reasonable amount of time.
- B. By the Closing Date, the Purchaser shall tender to the Government the balance of the Purchase Price in the form of a cashier's check, certified check, or electronic wire transfer. Upon confirmation that Purchaser's funds have been received by the Government and are to the satisfaction of the same, the Government will deliver to the Purchaser the instrument or instruments of conveyance. Possession of the Property will be assumed by the Purchaser as of the date of conveyance of the Property.

15. DELAYED CLOSING AND PURCHASER'S REQUEST TO DELAY

- A. The Purchaser shall pay interest on the outstanding balance of the Purchase Price at the rate described in the next sentence if the completion of the transactions contemplated in this IFB is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action or inaction and not by any action on the part of the Government. The interest rate shall be computed and begin accruing, as of the date of acceptance of the Accepted Bid, based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%).
- B. Any request by the Purchaser to extend the Closing Date is subject to the prior written approval of the Government. The Government reserves the right to refuse any such request. However, if the Government grants such request, the Government reserves the right to impose additional terms and conditions on any such grant.

16. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING

- A. All closing costs, including escrow and financing fees, shall be borne solely by the Purchaser. The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at Purchaser's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal, state and local law.
- B. All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.
- C. A conformed copy of the recorded quitclaim deed shall be provided by the Purchaser to GSA, within five (5) business days after recording, at the following address:

3. BIDS AND TERMS OF SALE

5. BIDDER REGISTRATION AND DEPOSIT

A. Bidder registration is a three-step process. All steps must be fully completed in the manner described below.

1) Complete Online Registration

- a) Bidders must register online at the Website. Once on the Website, click on "Register," establish a Username and Password, and provide the requested account information. A Username and Password are used to register online and to place Bids. The required password must be between eight and fifteen characters. Each Bidder will be asked to read and agree to the terms and conditions of the Website, which GSA hereby reserves the right to change. **Notwithstanding the above, each Bidder understands that the terms and conditions of this IFB shall govern in the event of any conflict between the terms and conditions of the Website and the terms and conditions of this IFB.** A Bidder who previously registered on the Website can login using the Username and Password that such Bidder previously established. It is the Bidder's responsibility to establish its Username and Password on the Website. In the event a Bidder forgets their Username or Password, or both, or is locked out from the Website, GSA staff cannot assist in retrieving a lost or forgotten Username and/or Password.
- b) A Bidder may register on the Website as either an individual or as an entity provided, however, that the Bidder information submitted as a part of the registration on the Website must be the same information provided on the Bidder Registration Form. Any request to change the name of the Purchaser after acceptance of any Bid may be withheld or granted by the Government in its sole and absolute discretion. If an individual wishes to Bid on the Property as both an individual and as the authorized representative of an entity, such Bidder must ensure that the individual and the entity are separately registered and, thereafter, place Bids accordingly.

- c) In accordance with Public Law No. 104-134, Section 31001, the Debt Collection Improvement Act of 1996, the TIN must be provided by anyone conducting business with the Federal Government, from which a debt to the Government may arise. Individuals cannot successfully register to Bid without providing a TIN. A TIN is defined as an individual's SSN or a business entity's EIN. If a Bidder registers as an individual, his or her SSN will be validated with such individual's name and address. If a Bidder registers as an entity, its EIN will be validated with such entity's name and address. The use of an individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a), and will be collected only to verify the data submitted by the Bidder and for any refund of the Registration Deposit.
- d) A credit card validation process will be conducted to prevent potential fraudulent bidding activity and to ensure that Bidders are prepared to accept responsibility for their bidding activity. **The credit card information provided as part of the online registration process is used strictly for validation purposes. The Website does not automatically charge credit cards on file.**
- e) For more information and assistance with the online registration process, please go to the Website.

Registration Deposits must be provided in the form of a cashier's check, certified check, or credit card (Visa, MasterCard, Discover or American Express). Notwithstanding the prior sentence, if the Registration Deposit for the Property is greater than \$49,999.99, a credit card cannot be used to provide the Registration Deposit. Personal or company checks are NOT acceptable and will be returned to the sender. Checks must be made payable to: "U.S. General Services Administration." If a Registration Deposit will be paid by credit card, Bidders must also provide the requested credit card information under the portion of the Bidder Registration Form titled "Registration Deposit." The Registration Deposit cannot be made via the Website. All Registration Deposits paid by cashier's check or certified check will be deposited with the U.S. Treasury, in a non-interest bearing account, promptly following the Government's receipt of the same.
- b) Only upon verification of your Registration Deposit will you be allowed to bid. All Registration Deposits received will be deposited with the U.S. Treasury in a non-interest bearing account immediately upon receipt.

- C. At such time that the Bidder completes the online registration process on the Website, GSA receives the fully completed Bidder Registration Form, and GSA verifies the Bidder's Registration Deposit is received and in satisfactory form, the Bidder will be allowed to participate in the Auction.
- D. It is the responsibility of the Bidder to ensure that adequate time is available to complete the registration process as described above. The Government makes no representation or guarantee that any additional assistance or time will be provided to complete the registration process. No bidder will be allowed to participate in the Auction until the entire registration process is complete.
- E. Registration may occur any time prior to the close of the Auction. The Government, however, makes no representation or guarantee that a Bidder's registration will be completed prior to the announced date and time for the anticipated close of the Auction. Therefore, Bidders are encouraged to register before the Auction opens.
- F. In the event a party completes the Bidder registration process, but never places a Bid on the Website, such party will be entitled to a refund of its Registration Deposit.

6. BIDDING IN GENERAL

- A. After successful completion of the registration process described above, Bidders are permitted to participate in the Auction. Registered Bidders may place Bids by following the instructions on the Website. By submitting a Bid through the Website, each Bidder agrees that its Bid is a binding offer to purchase the Property. This means that Bidders are legally bound by any and all Bids submitted using such Bidder's Username and Password.
- 1) The Website provides up-to-date information on a Bidder's bidding status. A Bidder can check their bidding status by clicking on the "Bid History" section of the Website.
- B. Bids received through the Website are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and any other time indicated, displayed, or otherwise stated or represented by a Bidder.
- C. Bids must be submitted without contingencies.
- D. The Website does not permit any party that is currently in default for non-payment or non-removal of items under any GSA auction to place a Bid. Once such party cures their default (and has registered to become a Bidder in accordance with the terms of this IFB), the Bidder will be permitted to place a Bid on the Website.

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

- A. Bidders are strongly encouraged to monitor bidding activity on the Website. Bids are immediately posted on the Website upon receipt. If a Bidder does not have the High Bid and the Auction has not closed, that Bidder can place another bid. Bids cannot be lowered or

cancelled provided, however, that a Bidder can decrease the maximum amount of its proxy Bid to the extent and in the manner described in the Flat Bidding and Proxy Bidding; Increasing a Bid Online section below.

- B. If a Bid is not accurately shown on the Website, call GSA at (617) 565-5700. Bidders are urged to pay close attention to the Website which will contain new, revised, and useful information regarding the High Bid, the Bid Increment, and the closing date of the Auction. It is each Bidder's responsibility to monitor the Website for any updates to the Property and the IFB.

8. FLAT BIDDING AND PROXY BIDDING; INCREASE A BID ONLINE

- A. The Website allows Bidders to place flat Bids or proxy Bids:
 - 1) A flat Bid is a Bid with an amount that is at least the then lowest amount that the Website will allow to be placed in order to participate in the Auction. This means that a flat Bid will be either: (i) an amount that is at least the starting amount of the Auction (if a Bidder is the first Bidder to place a Bid); or (ii) an amount that is at least the then current High Bid plus the Bid Increment. This amount will not increase unless such Bidder manually submits another Bid on the Website.
 - 2) Proxy bidding provides a Bidder with the ability to submit a Bid with a maximum amount that a Bidder is willing to pay for the Property, provided, however, that such maximum amount must be greater than the then current High Bid plus the Bid Increment. Note that such maximum does not need to be a numeric multiple of the Bid Increment, but must be a whole dollar amount. If a Bidder uses proxy bidding, the Website will automatically incrementally Bid on that Bidder's behalf to keep that Bidder's Bid as the then current High Bid until such maximum amount is reached. This means that, in certain instances, an amount greater or lesser than the Bid Increment may be placed by the Website. The maximum amount that a Bidder includes in their proxy Bid is not disclosed to other Bidders.
- B. If a Bidder selects to receive e-mail notifications during registration, the Website will provide notification to such Bidder if its Bid is no longer the then current High Bid. If a Bidder desires to submit another Bid, he or she can submit another flat Bid or reset its maximum Bid amount under their proxy Bid until such time that the Auction closes. The Registration Deposit will apply to all subsequently placed Bids.
- C. When two proxy Bids compete, the proxy Bid containing the higher maximum amount that a Bidder is willing to pay for the Property will surpass the proxy Bid containing the lesser maximum amount that a Bidder is willing to pay for the Property even if the higher maximum amount does not exceed the lesser maximum amount by the full Bid Increment. In such a case, this means that the higher maximum amount of the proxy Bid will be placed. In the event an amount under a proxy Bid equals the amount placed by a flat Bid, the proxy Bid will be deemed to have surpassed the flat Bid and the Website will place the amount of the proxy Bid in a manner that indicates such priority.
- D. A Bidder may increase or decrease its maximum amount under its proxy Bid at any time provided, however, that a Bidder may not decrease its maximum amount below the then current High Bid plus Bid Increment. If a Bidder's Bid is the then current High Bid, increasing such Bidder's maximum amount under its proxy Bid will not increase such High Bid unless and until another Bid is placed.
- E. **All Bids must be made on the Website. The Government reserves the right to modify the Bid Increment at any time prior to the close of the Auction.**

9. TRANSMISSION AND RECEIPT OF BIDS

- A. The Government will not be responsible for any failure attributable to the inability of the Bidder to transmit a Bid or the inability of the Government to receive a Bid for whatever reason. Failure to receive a Bid may include, but is not limited to the following:
- 1) Receipt of a garbled or incomplete Bid.
 - 2) Availability or condition of the sending or receiving electronic equipment.
 - 3) Incompatibility between the sending and receiving equipment and software.
 - 4) Malfunctioning of any network, computer hardware, or software.
 - 5) Delay in transmission or receipt of a Bid.
 - 6) Failure of Bidder to properly identify the Bid.
 - 7) Security of Bid data.
 - 8) Inability of Bidder to enter a Bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
 - 9) Unavailability of GSA personnel.
- B. If a Bid is not accurately shown or you cannot enter a Bid on the Website, call GSA at (617) 565-5700 for assistance.
- C. The Website will NOT be available during the following system maintenance windows:
- Saturday: 5:00 a.m. to 8:00 a.m. CT
 - Sunday: 6:00 a.m. to 10:00 a.m. CT
- D. The Website may NOT be available during the following system maintenance window:
- Wednesday: 5:00 a.m. to 6:30 a.m. CT

10. AUCTION CLOSE

- A. Posting of the Initially Anticipated Close of Auction. The Government will post on the Website a date and time on which the Auction is anticipated to close (the “**Initially Anticipated Close Date**”). Such posting will be made at least three business days prior to the Initially Anticipated Close Date. At the time of such posting, the time remaining prior to the Initially Anticipated Close Date will be shown on a “countdown clock” on the Website.
- B. Inactivity Period and Closing of Auction. In order for the Auction to close, the High Bid must remain unchallenged for twenty-four (24) hours (the “**Inactivity Period**”). The Inactivity Period will be posted on the Bidding Details section of the Website for the Property, after the announcement of the Initially Anticipated Close Date. If a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will extend for an additional twenty-four (24) hours promptly after posting of the new High Bid or changing of such maximum amount under a proxy Bid. The “countdown clock” will adjust accordingly to show the time remaining prior to the new anticipated close of the Auction. Each time a new High Bid is placed during an Inactivity Period or such maximum amount under a proxy Bid is changed during an Inactivity Period, the Auction will extend for an additional twenty-four (24) hours promptly after posting of the new High Bid or changing of such maximum amount

under a proxy Bid. If the High Bid remains unchanged for a full twenty-four (24) hour Inactivity Period, the Auction will close. **The Auction will be permitted to close on any day (including weekends and Federal Holidays), but will not close during those periods when the Website is closed for system maintenance as noted above.**

- C. **Bidders are responsible for monitoring the Website for the posting of the Initially Anticipated Close Date, the Inactivity Period, and any adjustments to the time and date of the anticipated close of the Auction.**

11. CONTINUING OFFERS

Each Bid received shall be deemed to be a continuing offer to purchase the Property until the earlier of: (a) 60 calendar days after the close of the Auction; or (b) the Bid is accepted or rejected by the Government. If the Government desires to accept any Bid after the expiration of such 60 calendar day period, the consent of the appropriate Bidder shall be obtained prior to such acceptance. Notwithstanding the foregoing, the Bid of the Backup Bidder shall be deemed to be a continuing offer to purchase the Property for the period of time that the Government retains the Registration Deposit of the Backup Bidder, as further described in the "Backup Bidder" section below.

12. GOVERNMENT'S RIGHT TO ACCEPT A BID

Following the close of the Auction, the Government shall have the right (but not the obligation) to accept a Bid that is most advantageous to the Government as determined by the Government in its sole and absolute discretion. Notwithstanding the foregoing, the amount of the Bid will be the premiere factor used by the Government in determining whether to accept a Bid and, unless another factor raises a concern as to the validity of the High Bid at the close of the Auction and/or the ability of the Bidder of such High Bid to complete the transactions contemplated by this IFB, it will be the only factor used.

13. BID EXECUTED ON BEHALF OF BIDDER

- A. If the Bidder Registration Form is executed by an attorney or agent on behalf of the Bidder, it shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the Bidder.
- B. If the bidder is a corporation, the Certificate of Corporate Bidder, included in this IFB, must be executed and accompany the Bidder Registration Form. Such certificate must be executed under the corporate seal of the Bidder by a duly authorized officer of the corporation other than the officer signing the Bidder Registration Form. In lieu of the Certificate, there may be attached to the Bidder Registration Form, copies of so much of the records of the corporation as will show the official character and authority of the officer signing the Bidder Registration Form, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.
- C. If the Bidder is a partnership and all partners sign the Bidder Registration Form with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the Bidder Registration Form, then the names of all those except limited partners must be furnished on the Bidder Registration Form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute the Bidder Registration Form on behalf of the partnership.
- D. If the Bidder is a limited liability company, a Certificate of Corporate Bidder, included in this IFB, must be completed and executed by the manager of the limited liability company, and accompany the Bidder Registration Form.

14. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the Bid shall be deemed to have been sufficiently given when faxed or mailed to the Bidder or their duly authorized representative at the fax/phone number or address indicated in the Bidder Registration Form. Rejection of a Bid shall also be deemed to have been sufficiently given upon the refund of a Registration Deposit, as described in the Refund of Registration Deposits section below. The processing of a Registration Deposit by the Government shall not, in itself, constitute acceptance of any Bid. The Government reserves the right to reject any or all Bids or portions thereof for any reason.

15. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the Auction for any reason (or no reason) without accepting any Bid and, further, has the right to resume the Auction or start a new auction at any time. In the event of a temporary suspension of the Auction due to technical problems or other bidding issues, the Government will re-open bidding with the High Bid that was posted to the Website immediately prior to the occurrence of such problems or issues, and allow the Auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale of the Property and/or Auction at any time and Registration Deposits will be returned to Bidders without interest or further obligation by the Government.

16. ADDITIONAL DEPOSIT AND TRANSACTION CLOSING

Within seven (7) business days of acceptance of the Accepted Bid, the Purchaser agrees to deposit an additional amount (the "**Additional Deposit**") in the form of a certified check or cashier's check, which when added to the Registration Deposit, will equal at least ten percent (10%) of the Purchase Price. Failure to provide the Additional Deposit will result in a default and forfeiture of the Registration Deposit. At the time of closing, all monies paid by the Purchaser will be credited, without interest, towards the Purchase Price.

17. REFUND OF REGISTRATION DEPOSITS

- A. Registration Deposits accompanying Bids that are rejected will be refunded to Bidders without interest. Bidders who provided Registration Deposits by check may elect to receive the refund by U.S. Treasury check or by EFT. Bidders will be required to provide GSA with a TIN to ensure the proper refund of the Registration Deposit by the U.S. Treasury. The TIN may be either a SSN or an EIN. The use of an individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a), and will be collected only for the proper refund of the Registration Deposit. Refunds will only be processed to the same individual or entity identified by the TIN. Bidders requesting to receive a refund by EFT will be required to provide additional information to GSA including bank account information to process the refund. Registration Deposits provided by credit card will be credited to the same account number provided.
- B. The Registration Deposit received from the Backup Bidder will be held in the manner described in the section immediately below. The Registration Deposit of the Bidder with the Accepted Bid will be held in accordance with the Agreement of Sale. All other Registration Deposits will be processed for refunds after the close of the Auction, or upon written request to withdraw from the Auction, unless the Bidder is the first or second highest Bidder. Refunds by U.S. Treasury check or by EFT will be processed in a timely manner but may require several weeks to complete. Refunds to a credit card will usually be processed within three business days.

18. BACKUP BIDDER

- A. The Government may elect to accept the Bid of the Backup Bidder if the Bidder of the originally Accepted Bid is unable to fully complete the transactions according to the terms and conditions of this IFB including, without limitation, if such Bidder fails to provide the Additional Deposit. The Backup Bidder's Registration Deposit may be retained, at the Government's discretion, without interest, until the Bidder of the originally Accepted Bid completes the transactions. If the Government elects to accept the Bid of the Backup Bidder, then the Backup Bidder becomes the Purchaser under the Agreement of Sale.
- B. The Registration Deposit of the Backup Bidder will be returned in the event the Government does not elect to accept the Bid of the Backup Bidder. In the event that the Government is unable to complete the transaction with both the Bidder of the originally Accepted Bid and with the Backup Bidder, the Government reserves the right to consider the remaining Bid(s) and accept any of the same if it is in the best interest of the Government, as determined by the Government in its sole discretion provided, however, that the Government will use the same evaluative factors described in the Government's Right to Accept a Bid section above.

19. ADDITIONAL INFORMATION

GSA will make reasonable efforts to answer requests for additional information concerning the Property to facilitate preparation of Bids.

20. BIDDER RESPONSIBLE FOR UNDERSTANDING THE IFB AND THE AUCTION

Each Bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to the acceptance of a Bid by the Government. Bidders are strongly encouraged to review the information pertaining to the Property on the Website. Bidders understand and agree that any notices of changes to the terms of the IFB and/or the Auction are satisfactory when made available on the Website.

21. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in Bids received.

NOTICES AND COVENANTS

1. NOTICE OF THE PRESENCE OF ASBESTOS—WARNING! The Quitclaim Deed by which the lighthouse will be conveyed will include language similar to the following:

- a. The Purchaser is warned that the property offered for sale may contain asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the U.S. Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.
- b. Bidders are invited, urged, and cautioned to inspect the property to be sold prior to submitting a bid. More particularly, bidders are invited, urged and cautioned to inspect the property as to its asbestos content and condition and any hazardous or environmental conditions relating thereto. The disposal agency will assist bidders in obtaining any authorization(s) that may be required in order to carry out any such inspection(s). Bidders shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the property including, without limitation, any asbestos hazards or concerns.
- c. No warranties, either express or implied, are given with regard to the condition of the property including, without limitation, whether the property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid after its opening.
- d. The description of the property set forth in the Invitation for Bids and any other information provided therein with respect to said property is based on the best information available to the disposal agency and is believed to be correct, but any error or omission, including, but not limited to, the omission of any information available to the agency having custody over the property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.
- e. The Government assumes no liability for damages for personal injury, illness, disability, or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, or any other person subject to Purchaser's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the property that is the subject of this sale, whether the Purchaser, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.
- f. The Purchaser further agrees that, in its use and occupancy of the property, it will comply with all Federal, state, and local laws relating to asbestos.

2. NOTICE OF LEAD BASED PAINT FOR REAL PROPERTY CONSTRUCTED PRIOR TO 1978. The Quitclaim Deed by which the lighthouse will be conveyed will include the following language:

The Property contains no improvements defined by Title X as "target housing". However, in the event that the Property is converted to residential use, the Grantee covenants and agrees that in its use and occupancy of the Property, it will comply with all applicable Federal, state, and local laws relating to lead-based paint; and the Grantor assumes no liability for the damages, personal injury, illness, disability, or death to the Grantee, its successors or assigns, or to any other person, including members of the

general public arising from or incidental to the purchase, transportation, removal, handling, use, disposition or other activity causing or leading to contact of any kind whatsoever with lead-based paint on the Property described in this Deed, whether Grantee and its successors or assigns have properly warned or failed to properly warn the individual(s) injured. Grantee further agrees to indemnify, defend, and hold harmless the Grantor from any and all loss, judgment, claims, demands, expenses, or damages of whatever nature which might arise or be made against the Grantor due to or relating to the presence of lead-based paint hazards on the Property, any related abatement activities or the disposal of any material from the abatement process.

3. HISTORIC PRESERVATION COVENANT. The Quitclaim Deed by which the lighthouse shall be conveyed will include the following language:

The Minneapolis Shoal Light is listed in the National Register of Historic Places. The Grantee, in accepting this Deed, acknowledges and accepts the following conditions and covenants:

- (1) Grantee shall maintain and preserve the Property in accordance with the recommended approaches in *The Secretary of the Interior's Standards for Treatment of Historic Properties* (Technical Preservation Services for Historic Buildings, National Park Service) in order to preserve and enhance the distinctive materials, features and spaces that caused the Property to be listed on the National Register of Historic Places.
- (2) When rehabilitation is the appropriate treatment, Grantee shall rehabilitate the Property in accordance with the recommended approaches in *The Secretary of the Interior Standards for Treatment of Historic Properties, Standards for Rehabilitation* (Technical Preservation Services for Historic Buildings, National Park Service). Rehabilitation is appropriate when repair and replacement of deteriorated features is necessary or when alteration or additions to the Property are planned.
- (3) Distinctive materials, features, finishes, construction techniques and examples of craftsmanship that characterize the Property shall be preserved.
- (4) Plans of proposed rehabilitation, construction, alteration or replacement of distinctive materials, features, finishes or spaces which would affect the appearance or structural integrity of the Property shall be reviewed and approved by the Michigan State Historic Preservation Officer ("SHPO") for consistency with *The Secretary of the Interior's Standards for Treatment of Historic Properties*.
- (5) The SHPO shall be permitted at all times to inspect the Property in order to ascertain if the above conditions are being observed.
- (6) In the event that the Property, or any associated historic artifact associated with the Property ceases to be maintained in compliance with the covenants, conditions and restrictions set forth in this section, in addition to any remedy now or hereafter provided by law, the SHPO may, following reasonable notice to Grantee, institute suit to enjoin said violation or to require restoration of the Property.
- (7) The covenants, conditions and restrictions contained herein shall be inserted by the Grantee verbatim or by express reference in any deed or other legal instrument by which it divests itself of either the fee simple title or any other lesser estate in the Property.
- (8) The Grantee agrees that the SHPO may, at its discretion, without prior notice to the Grantee, convey and assign all or part of its rights and responsibilities contained herein to a third party.
- (9) The failure of the SHPO to exercise any right or remedy granted under this instrument shall not have the effect of waiving or limiting the exercise of any other right or remedy or the use of such right or remedy at any other time.

(10) The covenants, conditions and restrictions set forth in this Historic Preservation Covenant shall constitute a binding servitude upon the Property and shall be deemed to run with the land.

5. AIDS TO NAVIGATION (ATON). The Quitclaim Deed by which the lighthouse shall be conveyed will include the following language:

The Department of Homeland Security, United States Coast Guard (“USCG”) is the Federal agency responsible for operating and maintaining the ATONs and associated equipment at the Property, without any obligation on the part of the Grantee to maintain, repair or replace the ATONs.

The Grantee acknowledges and agrees that it is accepting title to the Property subject to the rights of the United States to install, operate, and maintain active aids to navigation. In further of its right to continue such functions, the United States hereby expressly reserves perpetual and assignable the following rights:

1. The unrestricted right to keep, locate, service, maintain, operate, install, remove, repair, and replace the ATONs and any and all associated equipment on the Property.
2. The unrestricted right to relocate or add any ATONs and any and all associated equipment, or make changes on any portion of the Property as may be necessary for navigational purposes or in the service of any regional aids to navigation.
3. The right of access to, over and across the Property in favor of the United States for the purpose of servicing, maintaining, locating, operating, installing, removing, repairing, and replacing the ATONs and any and all associated equipment on the Property. The United States shall have the right to enter the Property at any time for the purpose of maintaining the ATONs and associated equipment and performing the other functions contemplated herein. Access shall be across any portion of the Property as necessary. Upon completion of the servicing, maintaining, operating, repairing, and replacing of ATONs and any associated equipment, the Property shall, at the sole cost of the United States, subject to the availability of appropriated funds, be left as nearly as reasonably possible in the same condition as before any such work began.
4. The right of the United States for the purpose of preserving and maintaining an Arc of Visibility for the beacon as follows: nothing will be constructed, maintained or permitted from the center of the Property 360 degrees or of a height sufficient to interfere with or obstruct the Arc of Visibility of said Property. The modern optic beacon flashes white every five seconds.
5. The right of the United States to utilize the signal horn at any time and in any manner it deems necessary.
6. The Grantee shall not interfere with or allow interference in any manner with any ATONs or associated equipment, nor hinder activities required for the operation and maintenance of any ATONs or associated equipment in use on the Property without express written permission from the USCG.

6. NOTICE OF HAZARDOUS SOUND LEVEL OF FOG SIGNAL HORN. The Quitclaim Deed by which the lighthouse shall be conveyed will include the following language:

There is a fog signal horn located on the Light Station which functions as an active Aid to Navigation (ATON) for mariners. The USCG shall continue to own, operate and maintain the ATON. When in operation, the fog signal horn sounds once every 30 seconds at a decibel reading of 118 dB(A). A reading of 85 dB(A) is considered the noise level threshold for wearing hearing protection. Double protection is needed if levels go over 105 dB(A). (OSHA standard at 29 CFR 1910.95).

7. NO LAND TO BE CONVEYED. Only the lighthouse and related improvements are included in this sale. All aids to navigation equipment as set forth in Paragraph 5 above remain the property of the United States. See Paragraph 8 below for information regarding occupancy requirements.

8. STATE OF MICHIGAN PRIVATE USE AGREEMENT. The lighthouse is situated on Great Lakes Public Trust Bottomlands owned by the State of Michigan. Prior to conveyance of the lighthouse, the Purchaser must obtain a Private Use Agreement from the State of Michigan. See page 2, Paragraph 2, Sale Description, for more information.
